

Village of Mamaroneck • Committee for the Environment

AGENDA

December 15, 2020

Via Zoom

GENERAL DISCUSSION:

- Vote to approve minutes from November 2020 meeting
- Welcome new CFTE board members
- Updates from November meeting:
 - o Village Manager approved payment for a sign for the Community Garden (Martin Hain to design it and Village will do installation)
 - o Danskammer Plant resolution was passed by the BOT
- 2021 Goals

Healthy Yards:

- Discuss doing away with leaf piles and having residents bag leaves or leave them on the lawn. This idea has met with resistance from residents in the past. (fyi...VoM is in a contract with the County to haul the leaves to a compost site upstate)

Food Waste Recycling Program

- Recap of Mamaroneck Ave sale of food waste kits. Should this be a regular event? Discuss selling food waste kits at the farmers market at Harbor Island.

Other Topics of Interest

- Hoyt Ave - Tree committee shares our concerns about the trees taken down along the railroad track. They were told the trees were dead or dying and that they were almost tall enough to interfere with the wires. What action can we take if it is MTA owned land?

PUBLIC COMMENT:

1. Public comments to be allowed at the end of each meeting.
2. Each person limited to 10 minutes unless otherwise agreed to by the CFTE.
