

FMAC Agenda for Meeting July 28, 2020

- 1) Update needed on status of the meeting that was to be scheduled between Sens Schumer, Gillibrand and Congressman Engel with the ACE. What is the status of the project now?
- 2) We need to get from Dan the dollar damages from past flood events and the percentage of residents who had to evacuate their homes.
- 3) Kelly stated that Sen. Schumer may send someone to attend our regular meetings. Who extends these invitations-the Committee or the VOM?
  - a. Committee agreed to invite representatives from Sen. Schumer's office to attend next FMAC meeting and possibly future meetings as well. Kelly will draft the letter to Sen. Schumer. Among the information to include in the letter are the actual damages from past flooding events
- 4) Question was raised whether we should invite anyone else to attend our meetings. The Committee will also ask County Executive Latimer who else should attend our meetings.
- 5) The Committee decided that each committee member will contact a local municipality and inquire about their flood mitigation and preparation policies
  - a. Paul will contact Scarsdale
  - b. Maria will contact New Rochelle
  - c. Peggy will contact Port Chester
  - d. Dana will contact Rye
  - e. Robert will contact the Town of Mamaroneck
- 6) Status of the Anita Lane Bridge according to Dan Sarnoff is as follows:
  - a. Bridge was on schedule for Spring-has any work been done? If not, what is the new schedule?
- 7) Update on all other bridge projects
- 8) This committee had requested that Save the Sound be contacted and water testing be done immediately downstream from the Road to Nowhere. Has this been done? If not, why not?
