

FMAC Agenda for ~~August 25, 2020~~

NEW: *Because the August 25th FMAC Meeting was canceled, this agenda now applies to the September 22nd FMAC meeting.*

Old Business

- 1) Dan Sarnoff is to get dollar totals for the storm losses due to flooding in 2007,2011,2012
- 2) Co Exec Latimer suggested that the VOM send a letter to himself and Legislator Catherine Parker requesting a commitment from the County to commit to the County portion of the ACE project.
- 3) Dan Sarnoff will reach out to the County to find out where the County DPW stands on the work on the Anita Lane bridge.
- 4) Dan is there any further update on the Washingtonville communities request to remove the Waverly Ave bridge?
- 5) Dan, has anything been done by Save the Sound to test the water on the downriver side of the Road to Nowhere?
- 6) Dan to look into the status of the requested testing before building can begin on 1602 Ellis Place.

New Business

- 1) I have invited Robert Ingenito to join us to discuss how he can help get information out to our residents about flood events and flood information.
