Proclamation of Local Emergency

I, Jerry Barberio, Village Manager of the Village of Mamaroneck, acting within the authority granted to me by Section 24 of the Executive Law of the State of New York, having found that the Washingtonville and Industrial Area due to a health, safety and welfare issue that has been investigated, I declare an emergency condition in the neighborhood areas known as the greater Washingtonville neighborhood, previously flooded areas, and the Fenimore Industrial area to combat small mammal infestations including but not limited to various control methods, repeat inspections, and consistent monitoring. This has given rise to a public emergency within the territorial limits of the Village of Mamaroneck, and that the public safety is imperiled thereby, do hereby proclaim a local emergency within the Village of Mamaroneck. This local emergency will continue until it is rescinded by me or until September 17, 2023, whichever is later.
