### Proclamation of Local Emergency

I, Jerry Barberio, Village Manager of the Village of Mamaroneck, acting within the authority granted to me by Section 24 of the Executive Law of the State of New York, **after extensive investigation having found that segments of pipeline and connections in sewer meter areas 7, 9 and 10 are a high priority for rehabilitation or repair due to severe breakages, holes, or partial collapsed pipe. This need for rehabilitation and repair has given rise to a public emergency** within the territorial limits of the Village of Mamaroneck, and that the public safety is imperiled thereby, do hereby proclaim a local emergency within the Village of Mamaroneck. This local emergency had been extended on January 13, 2023 and will continue until it is rescinded by me or until February 13, 2023, whichever is later.
