

ROCKLAND - WESTCHESTER - PUTNAM LAW ENFORCEMENT

LETR ROUTES

The Tri-County LETR unites law enforcement officers and agencies throughout Rockland County, Westchester County and Putnam County in support of the New York Special Olympics and in recognition of National Police Week. This year's LETR marks 37 years of support by Westchester County law enforcement and the second year united with support from Rockland and Putnam County law enforcement.

Department and Police Fraternal Organizations may participate with individual members and/or teams running different legs of the route. In addition to running, the best way to help raise funds for the Special Olympics is by purchasing the event t-shirt(s).

This year's LETR course consists of five main legs, passing through multiple communities and law enforcement jurisdictions. The LETR will end with a celebratory bbq and National Police Week recognition on the Hudson River at The Fractoria Charles Point, 5 John Walsh Blvd., Peekskill.

The Westchester County PD is the primary coordinating agency. The LETR has Run Captains representing law enforcement in each County to support the legs of the run.

PRIMARY RUN LEG	START LOCATION	MUSTER	RUN BEGINS
Westchester/west	Yonkers PD 3 rd Precinct	0800	0830
