

VILLAGE OF MAMARONECK

PLANNING BOARD APPLICATION AND INSTRUCTIONS FOR SITE DEVELOPMENT PLAN

1. It is the applicant's responsibility to fully complete this application carefully and to provide, together with the application, all the necessary information, including certified plans, surveys, photographs, maps and proof supporting your application. Failure to submit certified drawings and a survey within the past 12 months by a licensed surveyor, or any other information, will only delay your application, since the Board cannot review incomplete applications.
2. All applications to the Planning Board are to be submitted to the Building Department. The Building Department will determine the amount of and collect the fees to be paid in connection with the application. Plans will be reviewed for conformance to the Village Zoning Code and applicable building codes to the satisfaction of the Building Inspector.
3. Site Development plans must meet the requirements of Chapter 342 Article XI of the Village Code and be submitted at least (15) days in advance of the next Planning Board meeting.
4. Planning Board Meetings are regularly scheduled for the Second and Fourth Wednesdays of each month at 7:00 pm in the Village Hall located at 169 Mt. Pleasant Avenue, Mamaroneck, New York. There are **NO** meetings scheduled in the month of August.
5. Thirteen (13) Copies of a full application accompanied by a digital copy, supporting plans, surveys, and other documents shall be filed with the Building Department, along with the prescribed fees. (All applications must be individually collated.)
6. Notice Requirements
 - 6a. Whenever site plan approval of the Planning Board is sought by an applicant, the applicant, in addition to any other notice required by law, shall notify, in writing, all property owners within 200 feet of any boundary line of the proposed site affected by the pending application.
 - 6b. The notice shall be served personally or by certified mail, return receipt requested, upon all affected property owners at least 10 days prior to the scheduled hearing date, and an affidavit of service shall be filed with the Secretary of the Planning Board at least five days prior to the scheduled hearing date. In the event that service is effectuated by certified mail, then the return receipt shall be submitted to the Planning Board at the first hearing date.
 - 6c. The applicant shall post one notification sign on the property which is the subject of said application at least 10 days prior to the scheduled hearing date and must maintain the posted sign in place until the Planning Board has rendered its final decision approving or denying said application. The sign shall be erected not more than 10 feet from the front yard boundary of the property that abuts a public road and must be conspicuous to the public. The bottom edge of the sign so erected shall be positioned no less than 2.5 feet and no more than (3) feet above the ground. If the sign's visibility is obscured by vegetation, the applicant must cut the vegetation to a degree sufficient to maintain clear visibility of the sign from the road. If the front yard of the property does not abut a public road, a sign shall be posted in a location that can readily be seen by the public. A sign erected under this provision must be removed within 10 days after the Planning Board has rendered its final decision approving or denying said application.

6d. Said sign shall be at least 30 inches by 20 inches in size, consist of sturdy and serviceable material containing a white background with black letters and shall read as follows, in legible lettering at least two inches high. Said sign must say "**ON THIS SITE A (describe action set forth in the application) IS PROPOSED. THIS MATTER WILL BE DISCUSSED AT A PLANNING BOARD MEETING ON (give date) AT (give time) AT (give location).**" The applicant shall update the sign at least two weeks prior to every Board meeting in which the applicant's matter will be heard.

6e. Prior to the commencement of any public hearing or, if no public hearing is required, prior to the rendering of any decision disposing of any application, the applicant shall submit a sworn certification verifying placement and maintenance of the required notice sign. If the certification is not timely submitted, any scheduled public hearings shall be cancelled, subject to rescheduling, and any dispositive action by the Planning Board shall be deferred until timely certification is submitted. In the event of repeated or continued noncompliance with the sign posting and certification requirements, the application may be dismissed at the discretion of the Planning Board.

Failure to comply with any of the provisions hereof shall be a basis for denying any approval sought by the applicant.

7. At the time of submission of an application to the Village Planning Board, the applicant shall deposit funds with the Village sufficient to reimburse the Village for all reasonable costs of planning, environmental, engineering, legal, architectural, accounting and/or other consultants deemed appropriate by the Planning Board in connection with the review of the application. When an application is filed, the Building Inspector shall fix the amount of the initial deposit (escrow) to be made by the applicant. If at any time during the review process the amount of the escrow account falls below 50% of the initial escrow, then the applicant shall be required to submit an additional deposit to bring the total escrow up to the full amount of the initial deposit (as determined by the Building Inspector). In the event an applicant fails to make any escrow payment required and/or fails to pay the full amount billed for consultant fees, the Planning Board shall adjourn any pending application and/or withhold final approval until such payment is made. In the event final approval has been granted and an outstanding balance for consulting fees remains unpaid, the Building Inspector shall not grant a building permit and/or certificate of occupancy until payment of approved outstanding consulting fees has been made in full. **NO MEETINGS WITH ANY CONSULTANT CAN BE HELD UNTIL AN ESCROW ACCOUNT HAS BEEN ESTABLISHED.**

8. Escrow Deposits.
