INFORMATIONAL ITEMS:

- Village Manager/PRC Personnel Discussion – Recreation Supervisor
- Jefferson Avenue Park Playground – Final Design & Pricing – PRC to vote on project approval
- Code Violations in Village Parks
- Event Request – Mamaroneck Avenue School 1st Grade Picnic
- Parks Department Update
- Recreation Department Update

ACTION MAY BE REQUIRED:

- Approve April 2022 PRC Minutes

Upcoming Events:

June Parks & Recreation Commission meeting to be held on June 1, 2022, via Zoom.

Parks and Recreation Commission Meeting - April 6, 2022 via Zoom

Attendees: Tina Maresca, Karrie Sergio, Heather Castellani Milboer, Brittany Ross, Tim O'Connor

Present: Jason Pinto, Jeff Ahne, Nora Lucas

Guest Attendees: Luca Giobbio, Eli Tannenbaum and Griffin McIntyre

Opening:

Tina asked for a motion to open the meeting, Heather made a motion, Brittany seconded. Tina asked for a motion to approve the March minutes, Brittany made a motion, Heather seconded, all approved.

Presentation by Mamaroneck High School OCRA Students - Summer Slide Library in Papes Park:

We were joined by 3 students of MHS's Original Civic Research and Action program, a 4-year program focused on improving civic engagement among students. Juniors Luca Giobbio, Eli Tannenbaum and Griffin McIntyre gave a presentation on their Summer Slide Prevention Initiative. The summer slide is where students lose reading skill over the summer when they lose access to books that were provided by school, low-income kids are most susceptible. Their plan is to construct a freestanding book depot at the Pape Memorial Park for use during the summer months, provide a constant stream of new books to students living in the area; with a strong emphasis on 3rd-5th graders, conduct weekly group book talks to further engage students using the book depot, and work closely with MAS. The PRC members were all very impressed with the presentation and commended the boys for their hard work and efforts.

Capital Projects

Jefferson Avenue Park Playground Design Update:

Jeff said design and structure are the same, the only thing is the baby swings were drawn in and the two spots were connected. Tina asked about timing, Jeff said they were told from order about 8 months to get equipment in. Karrie asked about adding more benches and Brittany asked about more picnic tables. Jeff said the walkways are missing from the design so it's hard to tell but there's not really that much room and benches need to be a certain distance from playground equipment. Jeff will take some measurements to see what else they might be able to fit in without being intrusive. Tim asked about the flooring. Jeff said it will either be poured rubber or rubber tile, both have the same safety specs. Jason said the rubber tiles are easier to repair so they are weighing the options. Tim asked about life expectancy. Jeff said after the first 5 years, as long as you maintain it, about 15-20 years. Brittany asked about if we were still considering opening it up to the public for comment. Jeff said it was not open to public comment. Jeff said with he and Jason wanting to add ramps into the park to make it ADA compliant, because almost none of the other parks are ADA compliant, it limits what equipment can be used in the park. Nora said basically you can't modify it too much. Jason said when they met with the playground folks they were given 3 options so it's just not really possible. Tim asked about the fencing and the boulders around. Jeff said the fencing and walkways in the park will be changed but the boulders will stay, they act as a guardrail in case of a car crash. The monument will also stay. Jason said that was dedicated a long time ago. Nora said it was for Dr. Virginia Haggerty, a pediatrician. Tim also asked about the signage that says park closes at 10:00 pm is that a safety issue with the park not having lights. Jeff said they're looking at park signage now because some signs are outdated so they will be

updated. Jason said they should say dusk, except Harbor Island Park. No action the committee needs to take now, Jason said we will vote on it with the final price and everything we're going to do and then it will go to the Board for review.

Mamaroneck Avenue School PTSA Fund Raiser Fund Request

Per Jason, MAS wants to do a small fundraiser. It's a normal deck rental but they want to do alcohol, beer and wine only, so he wanted to bring it to us for our approval. The committee thought it was fine. Tina made a motion to approve the MAS fundraiser with alcohol, Tim seconded, all approved.

Florence Park Playground Damaged Rubber Surface Removal & Replacement UPDATE:

Jeff said they got the price for the rubber chips for the park, the amount would be somewhere around \$30,000 vs the wood chips which would be around \$4,000-\$4,500. He'd rather put that money into the playground equipment. Jason said the even the wood chips have gone through the roof. Tina asked if we have to replenish the rubber chips as often as the wood chips. Jeff said the wood chips break down, the rubber chips get kicked out of the playground and get lost. He's going to present it to the Board with just the wood chips.

Recreation Update:

Day Camp Update:

Jason said day camp is pretty full, we have 305 registered campers compared to 260 last year. Average group size about 36 kids. 92% of the camp is residents, demand is there, particularly for grades 3-6. It's good to know registration is set so he can work on planning which is the biggest thing; supplies, trips entertainers, etc., things go quick. The biggest struggle is getting camp counselors, minimum age is 16. Tina asked about scholarship kids. Jason said 9 kids are on scholarship, mostly from MAS, possibly a few from Rye Neck. Karrie asked about the breakdown of Mamaroneck vs Rye Neck kids because parents often ask. Jason said he doesn't have the exact number but the majority is Rye Neck kids.

Jason said they are working with the Arts Council on a couple different thing which he'll bring to us when they have definitive plans. Trying to do art-based movie and a few other pop-up concerts in the parks. Nora said there are a lot of events, 4 pop-up concerts on Fridays, maybe the poetry garden. The poetry garden is getting a new sculpture, a tortoise. Jason said beach/parking permits went on sale Monday so things are moving.

New Event Update - Spring Egg Hunt:

Jason said they partnered with EMS, PBA, VOMFD Ladies Aux Group to do an egg hunt on the beach. Free event is full at 160 kids. Activities, include egg hunt, bubble show, face painting, basket decorating, music, food trucks.

Parks Update: Jeff said they spread just over 30 yards of top soil in HI to fix the divots and holes. They seeded and fertilized their first field ever, in-house. Next field is the outfield of Lanza field. The community gardens are up and running. They replaced all the top soil that was damaged during Ida. They're doing garbage pick up, clean up, bench replacement, refurbishing some picnic table for HI, just a

lot of maintenance and upkeep. They seeded Croce Field, the outfield of Lanza field will be next. Tina asked about the Lanza field lights. Jason said everything has been provided to MUSCO but he thinks they have to wait until November so he doesn't have to cancel any sports. The lights take 6-8 weeks to come in once they're ordered and about 2 weeks to install.

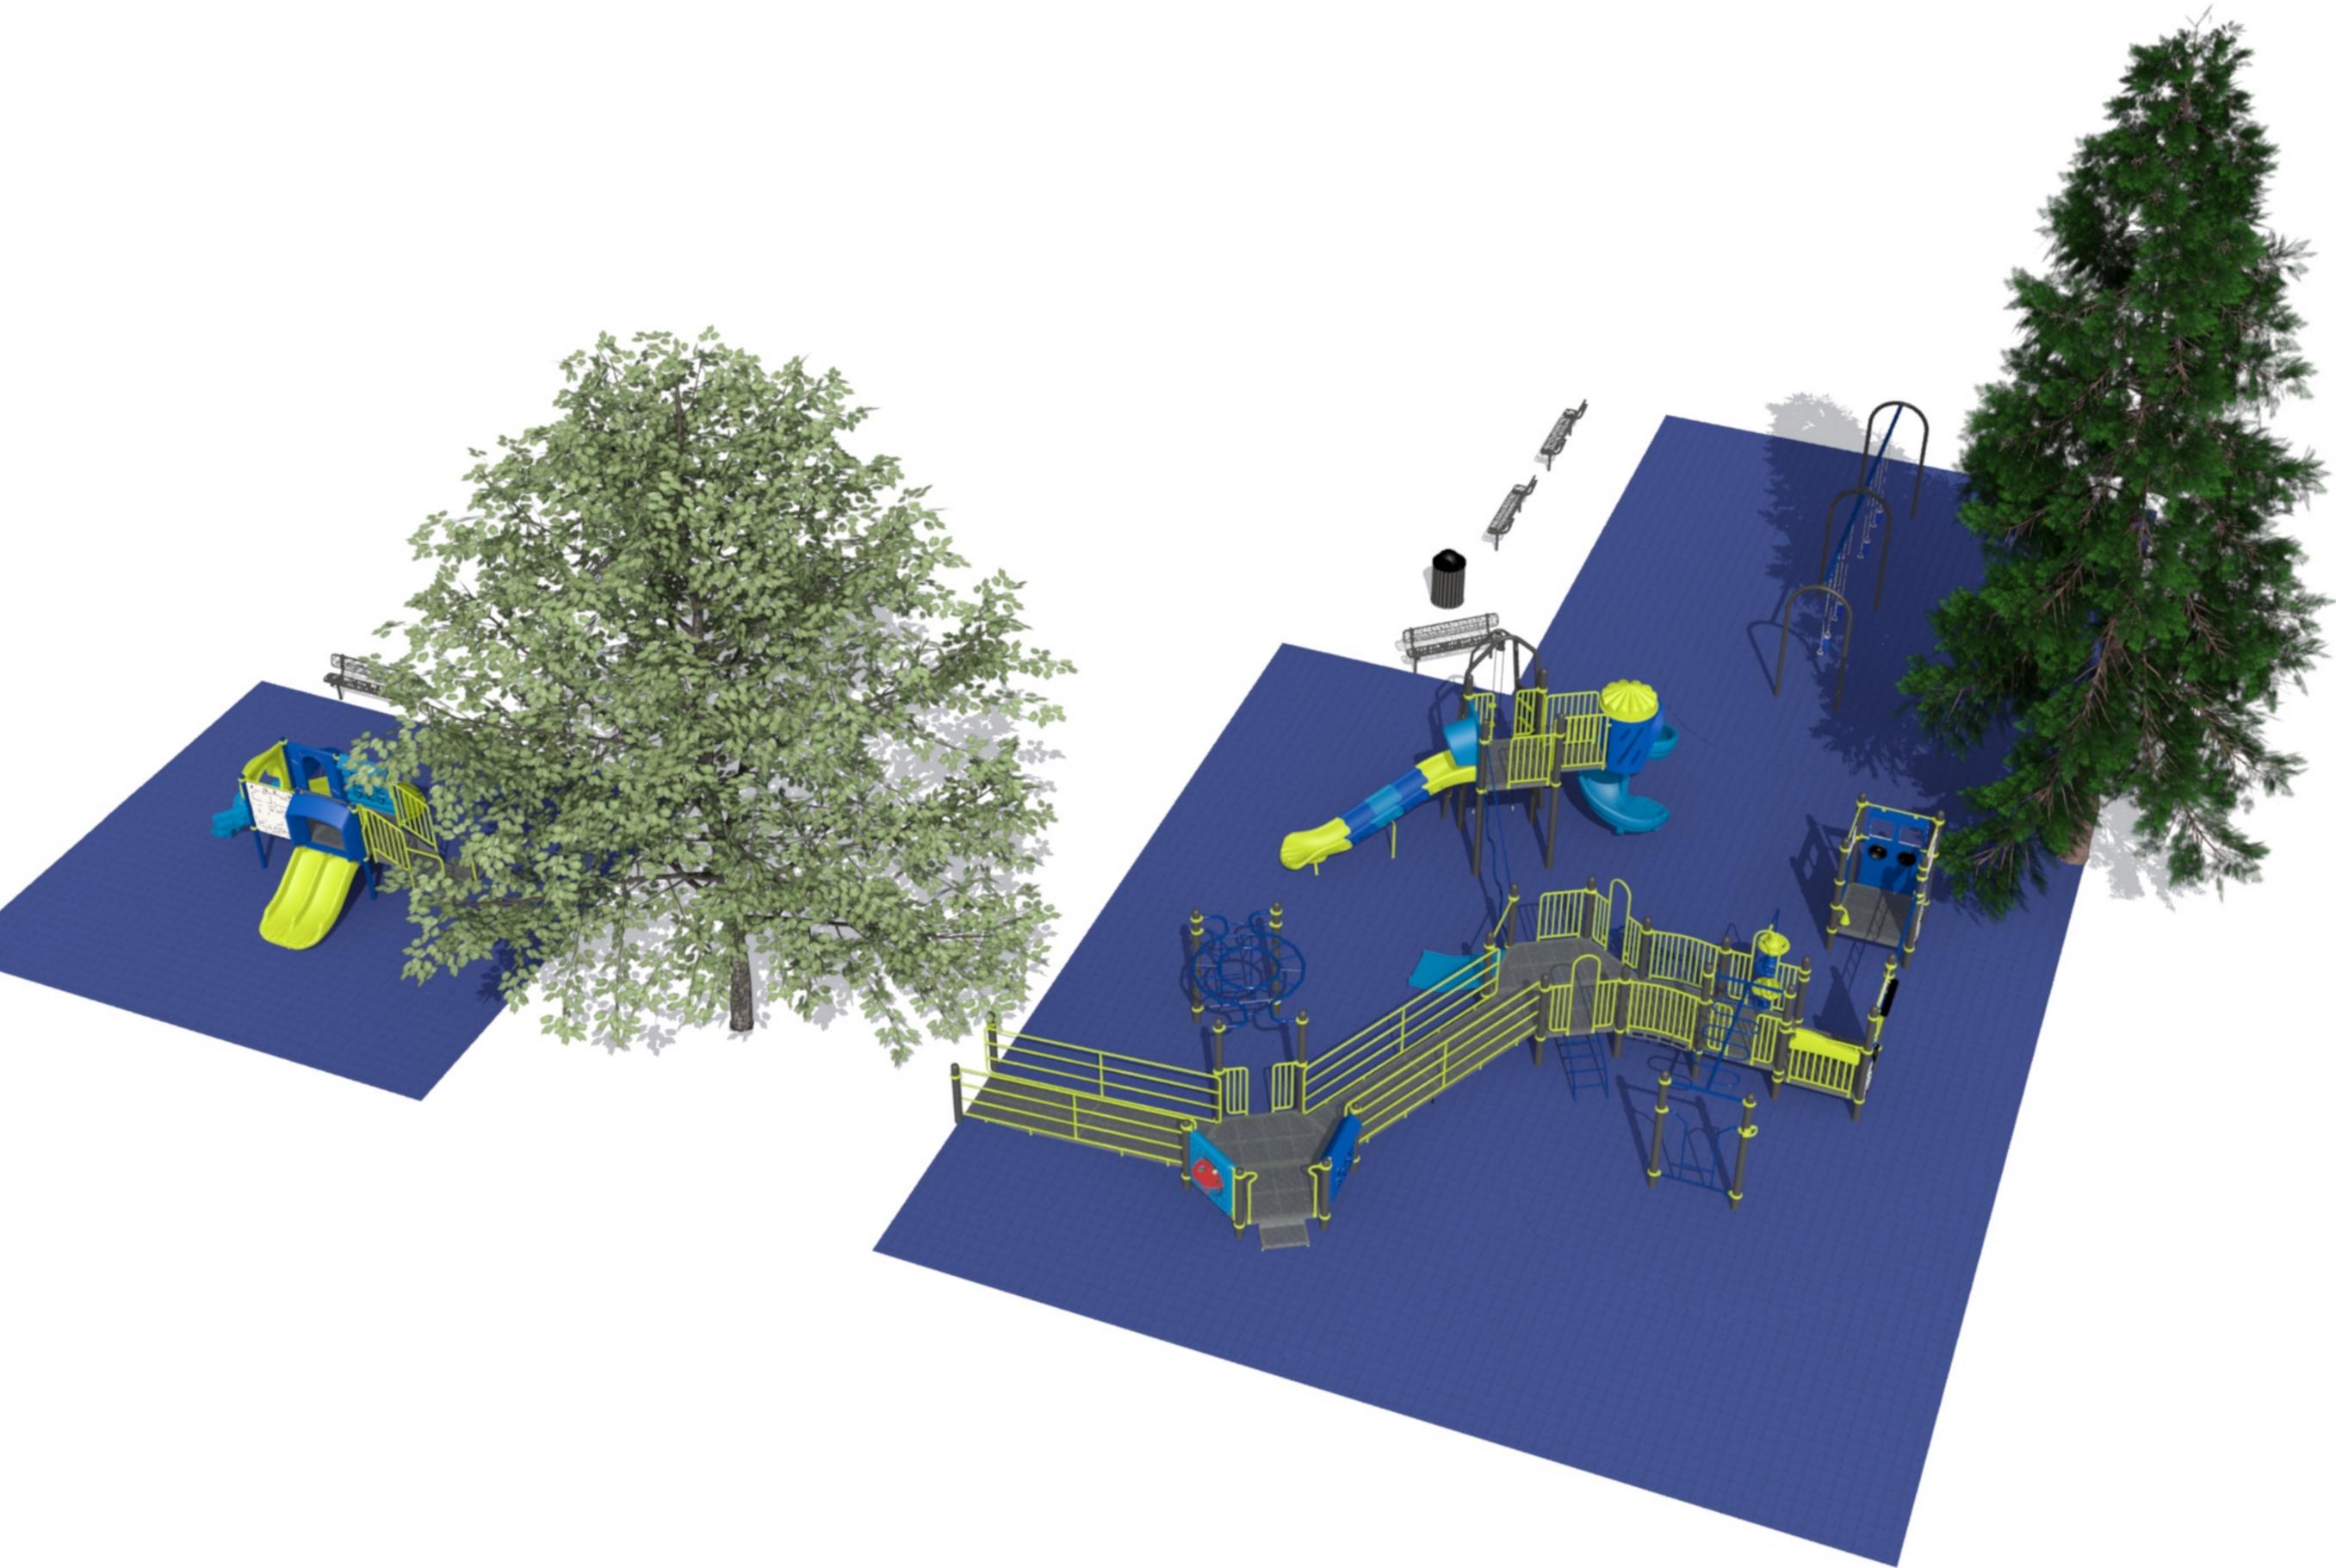

County Pier and Paving at HI:

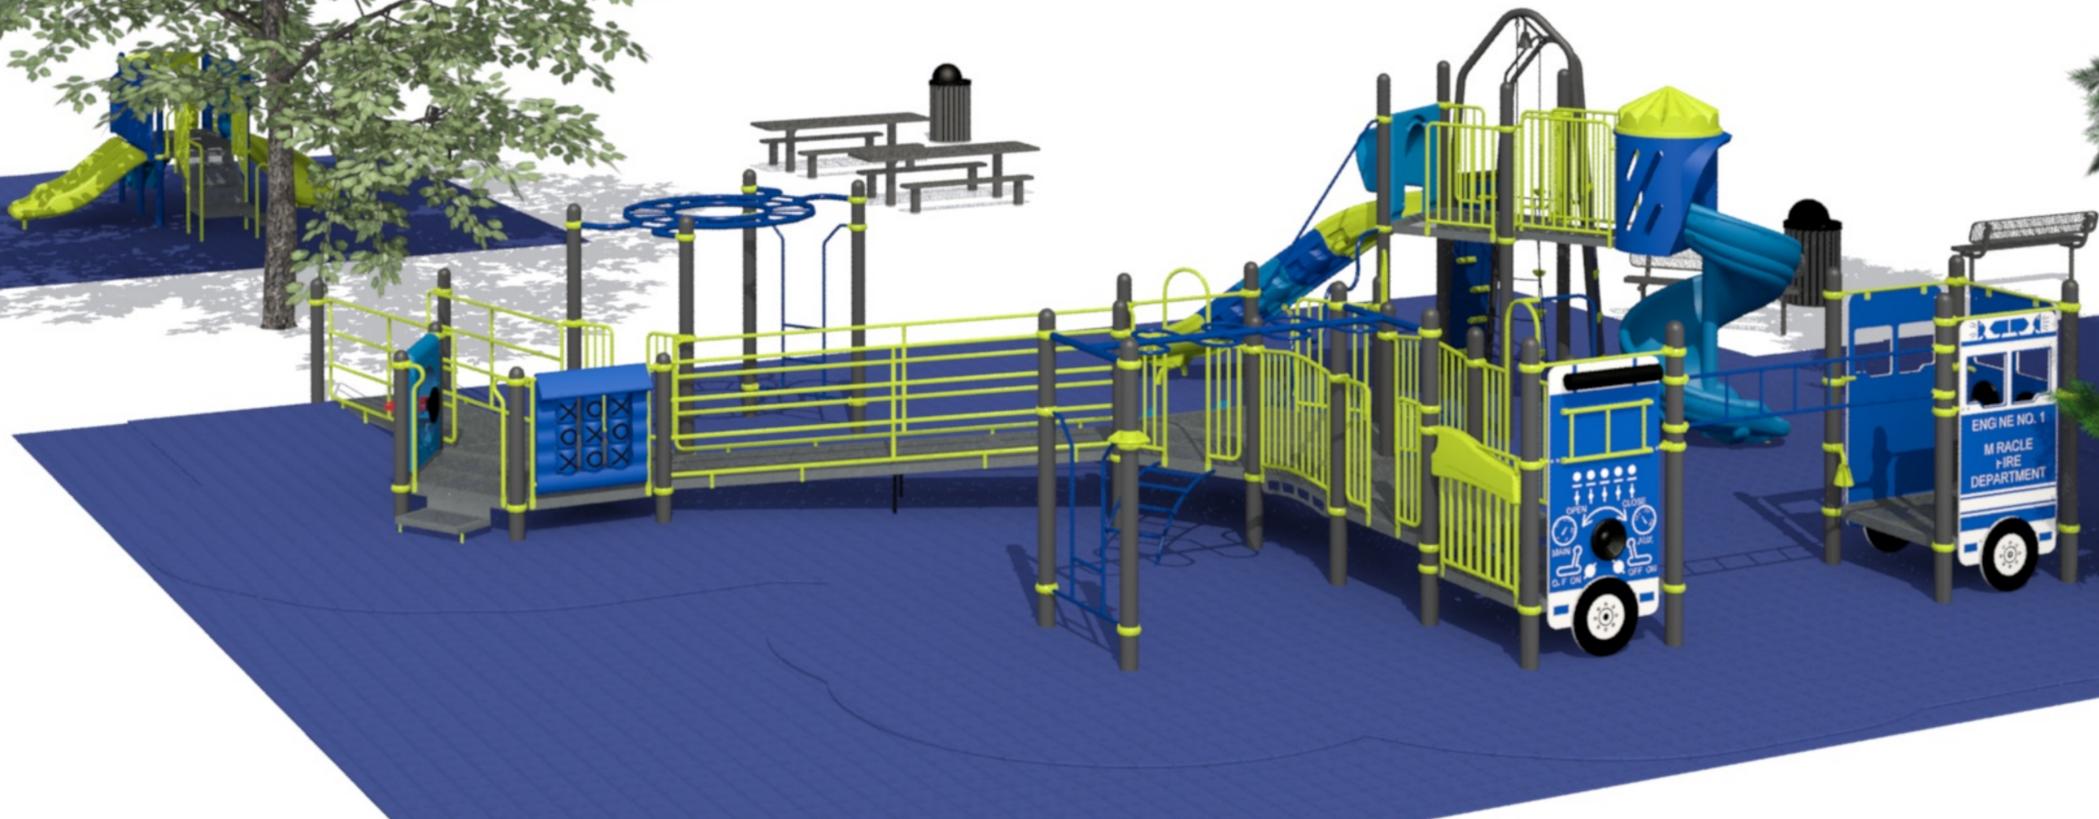

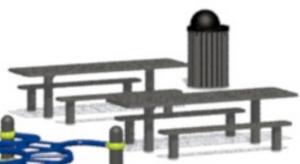

Jason also said Jerry wanted him to mention about the county pier that the county was waiting on the DEC but the county has to purchase some land on Taylor's Lane in order to start the project. Jeff said the county has to preserve a certain amount of land before they can start the county pier project. Jason said they're in contract with some estate near Taylor's Lane, 1.5 million piece of land, that will be preserved then the state will let them do that work. They're hoping everything goes well and they're breaking ground May 1st. Jeff said the county pulled the permit already so they should be close. Tina asked how it will affect parking in the Harbor and kids playing on the field. Jeff said the staging area is going to be on the side of his building and it will be all fenced so no one will be able to get in there and there will be enough room between the field and the fence so nothing else will be really affected, other than some construction noise which can't be helped. Tim asked if at some point the public will know. Jason said yes, this will be noticed. Nora said this was supposed to start previously but there's been hiccups. Once there's a real start date the Village will post and blast it out. What's happening before that is paving the parking lot. Jason said that will start April 18th. They're going to do it in stages and should be completed in mid-May. Morano Bros. will do the curb repair, milling and then paving.

Dog Park: Karrie asked Jeff if we heard back from HCZMC about the plans yet. He spoke to Dan a couple days after our last meeting and they are still waiting to hear back but it's on his list to discuss with Dan.

Closing: Tina asked for a motion to adjourn the meeting, Karrie made a motion, Heather seconded. Meeting adjourned.

Next meeting is May 4th.

5. Purchase Money Security Interest. Customer hereby grants, pledges and assigns to Miracle, and Miracle hereby reserves a purchase money security interest in, the Equipment in order to secure the payment and performance in full of all of Customer's obligations hereunder. Customer agrees that Miracle may file one or more financing statements, in order to allow it to perfect, acquire and maintain a superior security interest in the Equipment.

6. Choice of Law and Jurisdiction. All agreements between Customer and Miracle shall be interpreted, and the parties' obligations shall be governed, by the laws of the State of Missouri without reference to its choice of law provisions. Customer hereby consents to the personal jurisdiction of the state and federal courts located in the city and county of St. Louis, Missouri.

7. Title; Risk of Loss; Insurance. Miracle Retains full title to all Equipment until full payment is received by Miracle. Customer assumes all risk of loss or destruction of or damage to the Equipment by reason of theft, fire, water, or any other cause, and the occurrence of any such casualty shall not relieve the Customer from its obligations hereunder and under any invoices. Until all amounts due hereunder are paid in full, Customer shall insure the Equipment against all such losses and casualties.

8. Waiver; Invalidation. Miracle may waive a default hereunder, or under any invoice or other agreement between Customer and Miracle, or cure such a default at Customer's expense, but shall have no obligation to do either. No waiver shall be deemed to have taken place unless it is in writing, signed by Miracle. Any one waiver shall not constitute a waiver of other defaults or the same kind of default at another time, or a forfeiture of any rights provided to Miracle hereunder or under any invoice. The invalidity of any portion of this Quote shall not affect the force and effect of the remaining valid portions hereof.

9. Entire Agreement; Amendment; Binding Nature. This fully-executed Quote, as supplemented by Change Orders and invoices containing exact amounts of estimates provided herein, constitutes the complete and exclusive agreement between the parties. A Change Order is a written instrument signed by the Customer and Miracle stating their agreement as to any amendment in the terms of this Quote. Customer acknowledges that Change Orders may result in delays and additional costs. The parties agree that all Change Orders shall include appropriate adjustments in price and time frames relating to any requested amendments. Upon full execution, this Quote shall be binding upon and inure to the benefit of the parties and their successors and assigns.

10. Counterparts; Electronic Transmission. This Quote, any invoice, and any other agreement between the parties, may be executed in counterparts, each of which shall constitute an original. The facsimile or other electronic transmission of any signed original document and retransmission of any signed facsimile or other electronic transmission shall be the same as the transmission of an original. At the request of either party, the parties will confirm facsimile or other electronically transmitted signatures by signing an original document.

"A family tradition since 1930"

WE HERE BY SUBMIT ESTIMATES FOR:
JEFFERSON PARK IMPROVEMENTS:

DeRosa Sports Construction Inc will be responsible for all the necessary work install the following:

1. Remove & Replace Asphalt Walks:

- A. Excavate & Dispose of Existing Asphalt.
- B. Excavate to a depth of 9" and dispose of fill.
- C. Supply & Install 6" of item #4 processed stone base.
- D. Supply & Install 1.5" of Asphalt Binder.
- E. Supply & Install 1.5" of Asphalt Top.

TOTAL COST FOR WORK ABOVE:

\$63,000.00

2. Remove & Replace Cobble Stone Boarder:

- A. Excavate & existing curbs & stockpile.
- B. Clean Cobble stone & re-use stone for new curb. Additional stone will also be used.
- C. Install Cobble stone Curbs in concrete according to new layout.

TOTAL COST FOR WORK ABOVE:

\$28,500.00

3. Remove & Replace Perimeter Fence:

- A. Remove existing fence & dispose of.
- B. Supply & Install 6' High Black Chain Link Fence.
- C. Supply & Install Top & bottom Rail for fence.
- D. Supply & Install Maintenance Gate.
- E. Supply & Install Walk Gate.

TOTAL COST FOR WORK ABOVE:

\$40,500.00

4. Color coat playing surface:
A. Install 3 coat acrylic coating system.
B. Install basketball key lines.

TOTAL COST FOR WORK ABOVE: \$13,000.00

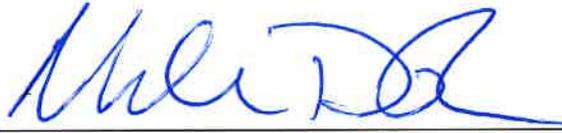

TOTAL JOB COST: \$145,000.00

Amazing, Jason! Thank you!!!

I so wish I could attend the park clean up event, but weekend events are tough with my kids being so young. Can't wait to bring them when they are old enough!

Excited for what we can plan for the future and very pleased to hear about emergency cleanup of waterways!

Good Afternoon PRC Members,

Brittany thank you for your email. I will add a item to the May 4 , 2022 PRC meeting. We can discuss additional volunteer park clean-up days and the garbage/cigarette issue. We have our annual Spring Clean & Green day event coming up on Saturday, May 7th (Flyer attached). I would also like to let everyone know that the Village manager has authorized an emergency clean-up of our rivers/waterways (Including Columbus Park area). DPW will actually be starting the river clean-ups this week. As always the Parks department will continue daily clean-up of all garbage/debris in our parks. Thanks. Jason.

Subject: Columbus Park

Hi everyone,

I went to Columbus park today to have lunch and was pretty concerned about the amount of garbage in the river. I know this is soooooo sooo difficult to keep clean but we have to figure something out. There were not just beer bottles and broken glass along the side of the river, but masks, newspaper, juice boxes and straws, tons of cigarette butts all along the river and the benches on the train station side.

I've included pictures.

I know there is an Earth Day park clean up planned but can we schedule something monthly or even more often and partner with local organizations for volunteer hours?

It breaks my heart to see this beautiful park full of so much garbage where kids and families come to play.

Thanks,
Brittany Ross Berlin

Thanks Tim and Carlo, we probably need to be more specific about what codes we need to look at. If there are specific concerns that we need to address, let's discuss them for sure!

I agree with Tim and especially Pape Memorial Park because of quality of life issues for years!

Stay Well

Carlo

Brittany / et al,

I agree, we should address the smoking in the park situation but if we are going to address this issue we should revisit other code issues within all VOM parks in the village that need police enforcement. Can we add this to the next agenda?

Thanks,

Tim O'Connor

I had lunch in Columbus park today and saw A LOT of cigarette butts by the park bench closest to Mamaroneck Ave on the train station side. We should definitely address park clean up and smoking in the park at our next meeting.

It is tough to enforce no smoking in the park when a village worker was smoking on the dock today. I personally don't agree that he should go to the sidewalk to smoke

I agree, we shouldn't have any cigarette butts left in the park. I believe this was brought up briefly at a prior meeting and the "no smoking" rule is not being enforced. We should address that for sure.

The lady who sits down at the west basin smoking all day. Folks are complaining about the hundreds of butts around the benches. Is there a solution to this? I have tried to say hello and chat before but she appears to be mentally ill.

The parking meters were photographed and discussed. Not with much drama. I like this idea for revenue Jerry, a great idea. Especially as I don't need to park to get to the harbor . However are we going to monitor whether during the summer months it will affect our parking spots on Fenimore? I guess that will be addressed if necessary.

Brittany I do think the lady smoking at the bench should be addressed

Best

Dear Mr. Pinto,

The First Grade at Mamaroneck Avenue School is requesting a permit to hold our annual Year End Picnic at Harbor Island Park. We have requested Wednesday June 15th as our event date with a rain-date of Thursday June 16th. We will be hosting 105 students and 11 teachers. Parents will be invited to accompany their child. On this day children will have the option to play in organized field games or participate in board game in the shaded parts of the park. Please let me know if you have any questions or require any other information. I thank you for your attention and assistance in making our Year End Picnic a success.

Best,

Jeanette Jiménez
