Tree Law Violations Update

Good Afternoon,

Both 859 and 951 were issued summonses for tree removal without permits. Appearance date for 951 was 11/28/23. Resolution was not achieved, and the case is ongoing, next appearance date TBD. 859 first appearance was scheduled for 2/13/24 but was canceled by the court clerk due to the lack of a village prosecutor. The court clerk will reschedule both when they receive notification that we have a prosecutor and will notify the Department.

Thanks,

Sam Harrison
Code Enforcement Officer
