1. Spice Kitchen, the restaurant on Mamaroneck Avenue, is complaining about a tree blocking their sign. Cucinella said he would talk to BAR about moving the sign instead of disrupting the tree.
2. Discussion regarding extension beyond March 31 so as not to jeopardize its DEC tree management plan grant. The committee also needs to see about adding an educational component and getting a tree ordinance passed by the village (preventing removal without a permit).
3. Management plan revisions received January 20th from Davey tree. Robertson to meet with Rob Yamuder for discussion.
4. Robertson suggested as a follow up to Greg Cutler's presentation that the TC members download the I-Tree app and make suggestions on whether it needs changing before we begin using it to inventory trees and planting spaces.
5. Robertson suggested having high school students help with inventorying of the trees in exchange for community service credit.

9:09pm Meeting adjourned.
