**Subject:** Flood Insurance Rate Map Zone Information

As a public service, the Village of Mamaroneck will provide you with the following information upon request:

- Whether a property is in or out of a Special Flood Hazard Area (SFHA) as shown on the current Flood Insurance Rate Map (FIRM) for the Village.
- Additional flood insurance data for the site, such as the FIRM zone and the base flood elevation or depth, protected coastal barriers, floodways or lines demarcating wave action, if shown on the FIRM.
- Historical flood information for the site, if available, and whether the site should be protected because of its natural floodplain functions.
- We have a handout on the flood insurance purchase requirement that can help people who need a mortgage or loan for a property in the SFHA.
- The Village of Mamaroneck maintains copies of Elevation Certificates for new and recently substantially improved structures.
- The Village of Mamaroneck updates the Flood Insurance Rate Maps as needed when revisions are made to the maps.
