*****Public Advisory Announcement*****

ConEdison Electrical Work to Impact Mamaroneck Village Hall at the Regatta on January 26 & 27

(Mamaroneck, N.Y., January 22, 2020) — Due to emergency electric repair work by ConEdison in the vicinity of 211 to 123 Mamaroneck Avenue (which includes Village Hall at the Regatta), please note that electrical power will be interrupted for two hours on Sunday, January 26 and then again for up-to-four hours on Monday, January 27. ConEdison expects to start this work on Sunday, January 26. Please note the following:

- A power outage will occur on Sunday, January 26 at 8:00PM for approximately 2 Hours.
- A second power outage will occur on Monday, January 27 at 5:00PM for approximately 2-4 Hours.

Throughout the day on Sunday, January 26 and again on Monday, January 27, this work will affect Village Hall at the Regatta (123 Mamaroneck Avenue) and the surrounding area in the following ways:

- Limited Street Parking.
- Temporary Lane Closure.
- Staging a temporary Generator.
- Noise.

Please note that public services at Village Hall during regular business hours are not expected to be interrupted during this period – especially on Monday, January 27; however, parking along Mamaroneck Avenue will be impacted. The Village Board of Trustees Work Session (5:00PM) and Regular Meeting (7:30PM) at the Courtroom in the Village’s Municipal Building at 169 Mount Pleasant Avenue (or any other Village facilities) will not be impacted.

Personnel and officials in Village Hall are working closely with ConEdison to minimize any inconvenience. When repair work is complete, another public advisory announcement will be made.
