## THE CORONAVIRUS COPING SKILLS AND PARENT SUPPORT LINE

**Monday through Friday 12-2pm**  
*(from March 16 until further notice)*

To access skills and support  
call the LMCCC at **914 698-7549 + press 5**

The Larchmont Mamaroneck Community Counseling Center (LMCCC) has created a Coronavirus Coping Skills and Parent Support Line for MSD students and parents.

Professional staff members of the LMCCC will provide emotional support, teach coping skills and advise parents on how to help children through these stressful times over the phone. These are designed as brief conversations with professionals to give you tools to use.

You should also check out the LMCCC website for additional COVID-19 info here:
