

Gertrude Avenue Construction & Traffic Advisory

Starting approximately on Saturday, December 17th, Green Mountain Pipeline Services, on behalf of the Village of Mamaroneck, will begin new sewer construction work on Gertrude Avenue between Ralph Avenue and Mamaroneck Avenue. This work will take place from approximately 7:00am to 5:00pm. Beginning on Saturday, December 17th, local and emergency vehicles on Gertrude Avenue will be restricted to one 12-foot wide lane of traffic. In addition, "No Parking" signs will be posted along Gertrude Avenue. This construction work is expected to be completed by Friday, January 13, 2023.

Motorists, residents, and Mamaroneck Avenue School employees and families should expect traffic while this work is performed. While construction work has been scheduled to coincide with the Mamaroneck School District's Holiday Recess, additional dates (particularly when school is in session) are necessary. We apologize for this inconvenience. Officials from Green Mountain Pipeline Services, the Village of Mamaroneck, the Mamaroneck School District, and the Village's Police Department have worked diligently to ensure a safe work zone while this work is performed.

As always, please be on the lookout for traffic in and around this area. Please slow down and drive responsibly. Driving and parking in this area will be difficult. Our thanks to the Village's Police Department who will be on hand to provide a safe experience for all.

For more information, please call the Village Engineer Gino Frabasile at (914) 825-8163. While every effort was made to include relevant information at the time this Construction & Traffic Advisory was made, changes and/or new developments can occur.
