

# Reopening the Village of Mamaroneck

With the end of NY PAUSE on May 15, Governor Cuomo has established a regional approach for reopening, the Mid-Hudson Region, where the Village is located, has not met the standards and **cannot begin reopening.**

When the Mid-Hudson Region meets the standards, hopefully in a few weeks, there will be a multi-phase approach to reopening as follows:

**Phase 1.** Construction, Manufacturing, Wholesale Trade, Select Retail for Curbside Pickup Only, Agriculture, Forestry, and Fishing

**Phase 2.** Professional Services, Finance and Insurance, Retail, Administrative Support, Real Estate, Rental, and Leasing

**Phase 3.** Restaurants and Food Services

**Phase 4.** Arts, Entertainment, & Recreation, and Education

The Village continues to thank its residents and businesses who have shown such extraordinary perseverance and diligence during this pandemic and how, as a community have met this challenge together.

If you have further questions on reopening, e-mail [COVID19FAQ@westchestergov.com](mailto:COVID19FAQ@westchestergov.com)
