Dear Business Owner/ Resident of the Village of Mamaroneck,

One of the loveliest characteristics of the Village of Mamaroneck is the ease of walking about.

To keep everyone safe during this Winter season, please take note of the following regulations for the removal of snow and ice from the sidewalks in the Village.

Snow must be removed from the public sidewalks within two hours of the snow ceasing to fall. However, if the snowfall ends over night the hours of 9:00 p.m. and 7:00 a.m. are excluded. Examples would be if the snow stops falling at 1:00 p.m. the sidewalk must be cleared by 3:00 p.m. If the snow stops falling at 1:00 a.m. the snow must be cleared by 9:00 a.m.

An area of the sidewalk at least four feet wide must be cleared to allow the safe passage of people passing on the sidewalk and to accommodate disabled users.

If snow or ice cannot be removed from the sidewalk due to freezing the sidewalk must be treated with salt, sand or other suitable material and as soon as possible the sidewalk must be cleaned.

Snow, ice or water from buildings must be prevented from falling onto the sidewalks.

Snow may not be shoveled, thrown or plowed into the streets or sidewalks in a manner that will create a danger or hazard for pedestrians or vehicles and never in a manner which would impede access to a Fire Hydrant.

If you have any questions or concerns, please call.

Very truly yours,

Dan Gray
Building Inspector
