Subject: FW: Info I need

Hi Gino,

Here are some stats on the Village's E-Newsletter.

The best estimate I can give you for the Village's Newsletter is as follows:

- Approximately 1,500 email subscribers.
- Approximately 750 text message subscribers.
- Approximately 650 post reaches per week on social media (Facebook + Nextdoor)

Total: 2,900

(Feel free to round this up to 3,000. There are contacts on my email distribution list who have told me they forward my email to others who DO NOT want to be on the Village's email distribution list.)

Yours,
Robert

Nery,

Can you make sure the days of the months that I wrote in Spanish are correct?

Subject: Spring Clean & Green Day in 2022

Hi Gino,

So Spring Clean & Green Day in 2022 was supposed to happen on Saturday, May 7th. But because of the rain, it was **rescheduled to Saturday, May 14th.**

I checked the Sign-Up Genius from that event, and we had 164 people signed-up to participate. (As to whether they all showed up, I have no idea.)

Yours,
Robert Ingenito
