

August 2019 Agenda Attachment 3

8/16/2019

Beverly and Jerry,

Please see below:

FOIL 3862 Gator bags- I don't know what this was in reference to, I did write the agenda. This was listed under "correspondence". Generally I think of correspondence as something in a written form. So the request is for whatever the correspondence the TC was discussing.

FOIL 3869 Citizen Pruners - Its my understanding that the Village has authorized a number of residents to prune trees. I am informed that these folks were provided vests and tools. it seems extraordinary that there would not be a list identifying who these folks are.

Deputy Clerk, Village of Mamaroneck
