Join the Village of Mamaroneck's Tree Committee for a **FREE** Fall Tree Walk on the grounds of St. Thomas Episcopal Church with Jocelyn Kleinman, Education Director of the Sheldrake Environmental Center. Tree walks offer an opportunity to spend time outdoors and enjoy the life-giving benefits of trees while learning about our local urban forest. Participants will explore tree species on the grounds of St. Thomas and learn some in-depth information, fun facts, and tips about caring for trees. Depending on time and interest, participants may also explore other trees in the Heathcote Hill neighborhood of Mamaroneck.

Meet at the Labyrinth at St. Thomas Episcopal Church. While parking is available on St. Thomas's upper parking lot, if possible, we encourage walking or bicycling to this location. Still, if you must drive, access the upper parking lot via Mount Pleasant Avenue.

Special thanks to St. Thomas Episcopal Church for hosting the Fall Tree Walk.

This event is **FREE** and open to the public; but registration is required. Minors must be accompanied by an adult.
