

VILLAGE OF MAMARONECK

Heritage Tree Hunt

The Village of Mamaroneck is running a
Heritage Tree Program from May 9 until June 30!

Nominate your favorite tree and help our Village create
a list of Heritage Trees!

What is a Heritage Tree? Easy! *It's a **REMARKABLE** tree!*

What can make a tree *REMARKABLE*? It might be...

- ❖ *Remarkably* old, large, and/or rare, unusual, or endangered (and must be a non-invasive species); and/or
- ❖ *Remarkably* important because it recalls a historic event

A Heritage Tree may be a Village tree on Village of Mamaroneck property (in a park or along a street) *OR* it may be on private property in the Village of Mamaroneck. (See map of Village of Mamaroneck on back of this flyer.)

Look around for *REMARKABLE* trees. Then, print out, complete this form, and email it along with a photo of your Heritage Tree to TreeCom@vomny.org by June 30. If your tree is selected, the Village Tree Committee will present a Certificate of Recognition to you and, for private trees, to the tree's owner as well. A photograph of you with the tree will appear in the weekly Village E-Blast!

Your name: _____ Your email: _____

Your phone number: _____ Address of your tree: _____

Tree type or species, if known: _____

Estimated diameter of tree at chest height, if known: _____

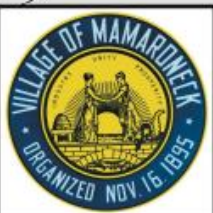

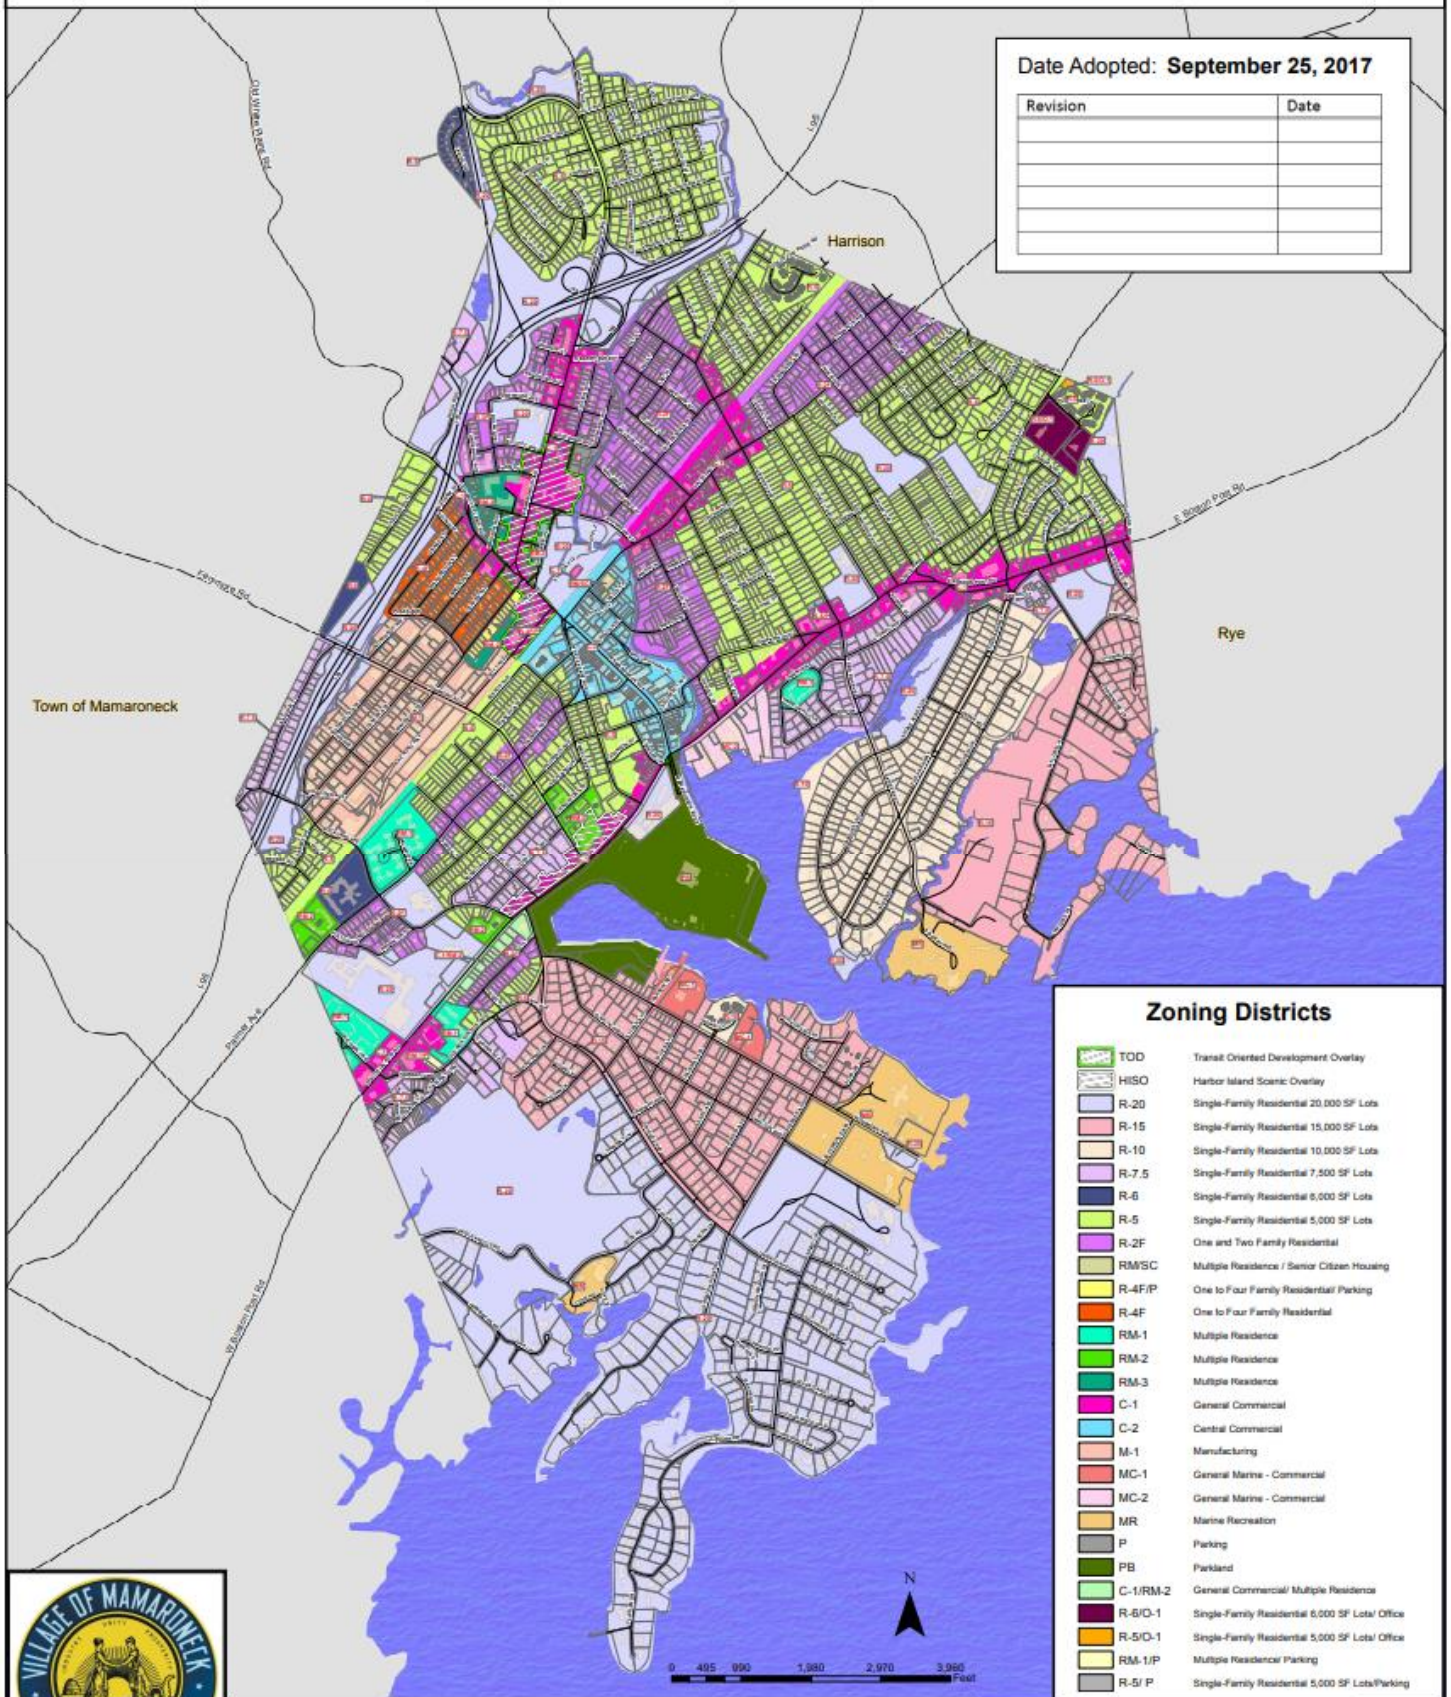

Village tree or private tree, if known: _____

THANK YOU!!!!!!!!!!!!
