Nora Lucas,

1. CALL TO ORDER: 7:35 PM

2. APPROVAL OF MINUTES: Approval of minutes from August meeting deferred until next meeting pending transcription by Nora of zoom call.

3. CORRESPONDENCE:

-

*Comments from Residents

Stuart Tiekert asked about trees tested for wilt. Tests came back negative. _

-

*Correspondence

305 Fourth St. – Request to remove large tree, replace with small one denied because tree is healthy.

320 Bishop et al – Jerry asking MetroNorth if VoM can replace removed trees on Bishop with arbor vitae.

130 Beach Ave – declaration of implicit racial bias in tree site selection. Sean and Beverley point out challenges of planting in Washingtonville due to narrow ROW. Ordinance would allow VOM to plant on private property with owners' approval.

*Old Business

Tree Ordinance update

Public hearing postponed pending review of land use boards' comments and additional public comments.

Revised list of Recommended Species to be referred to in ordinance.

Fall planting relocating redbuds to 419 Hinman, 356 Florence and The Parkway. Use mulch rings for new trees

Planning board wants planting guidelines from TreeCom.

Revisit next month

*New Business

Larchmont Nursery donated trees to be planted. Beverley suggests photos to promote this.

NY Environmental Conservation webinar attended by Gail on getting tree ordinances passed. Underscores importance of tree inventory

Initiative to get ConEd to bury power lines. Beverley says neighborhood groups need to join together to lobby state officials.

Harbor Island Conservancy. Beverley joined as TreeCom liaison.
