7:39 PM Meeting called to order.

Approved minutes of March meeting

New Business: Bids for tree planting came in higher than expected. May have to postpone planting at some of the sites, such as on the Post Road between MHS and the Town Center.

Possible code violations: TC notified Planning board about tree too close to corner at Waverly & Ogden and 3 trees planted too close together. Planning board to follow up.

Mamaroneck Avenue School: Trees may be purchased by VOM and given to Mamaroneck School District for Mamaroneck Avenue School playground and surrounding area for public benefit. Mamaroneck School District would plant trees as part sustainability curriculum.

Order to remedy violation: Spadaro Partners site at 550 Palmer Ave. Tree pruned illegally.

Members of TreeCom will attend a future planning board meeting to discuss ordinance and other matters such as using structural soil when sidewalks are replaced.

Community correspondence: Two sick trees on the Parkway (936 and 735) require inspection by Tony. Jerry to follow up; Jerry to write to resident who did not remove Christmas lights from Village tree.

Tree ordinance: Gail and Nora and Beverley plan to meet with village attorney on May 14.

Bittersweet vines in Warren Park: Jerry to follow up on removal.

Clean up/Green up day: Sean, Nora and Marlene to represent TreeCom at the event on Saturday, April 27 at Harbor Island.

Citizen Pruners Workshop: Citizen Pruners Workshop: Dan to contact George Profous, NYSDEC, about holding a workshop at Harbor Island Park or on Mamaroneck Avenue."
